Dear Sir,

Technology Center 2100

I refer to the above application and would like to advice amendments to the claims as in Appendix 1 as attached. Appendix 1 which is the MARKED version. The CLEAN version is identified as Appendix 2. I have previously faxed an exact copy for your attention but I have neglected to include line numbering. The following attachment includes line numbering and this copy supersedes the earlier version, which is without the line numbering.

In summary, the total number of pages in this attachment is as follows;

Cover Letter	1 page
Appendix 1	7 pages
Appendix 2	6 pages
Total	14 pages

Please also note the changes in my address above. Where possible please use fax and email for communication as below. Thank you and regards.

Yours truly,

Khai Hee KWAN
